| 9:10 - 10:20 am | **HB 589 Regulatory and Legislative Update, HB 589 Initiatives and Opportunities**  
**Speakers:**  
- Kim Duffley, Senior Staff Attorney NC Utilities Commission  
- Benjamin Smith, Regulatory Counsel at the NC Sustainable Energy Association  
- Tyson Grinstead, Director of Public Policy at Sunrun, Inc.  
This session will cover the procedure and implementation of HB 589, where things stand one year into the bill, and the emerging markets it has created such as the solar rebate program. |
| 10:20 - 10:35 am | Break                                                                  |
| 10:35 am - 11:30 pm | **New Initiatives and Emerging Opportunities Related to HB 589 (Cont.)**  
**Speakers:**  
- Benjamin Smith, Regulatory Counsel at the NC Sustainable Energy Association  
- Michael Youth, Government Affairs and Regulatory Counsel North Carolina Electric Membership Corporation  
Learn about new initiatives and opportunities such as the Green Source Advantage, the co-op perspective on HB 589 and how to engage with co-ops related to clean energy issues. |
| 11:30 - 12:30 pm | **Utility Initiatives and Programs**  
**Speakers:**  
- Michael Youth, Government Affairs and Regulatory Counsel North Carolina Electric Membership Corporation  
- Benjamin Smith, Regulatory Counsel at the NC Sustainable Energy Association  
This session will cover QF’s, batteries and microgrids, energy efficiency, and new programs that Duke Energy and Dominion Energy have rolled out as a result of HB 589. |
| 12:30 – 1:20 pm | Lunch and Networking                                                    |
| 1:20 – 2:30 pm | **Utility Ratemaking**  
**Speakers:**  
- Chris Ayers, Executive Director of the North Carolina Utilities Commission Public Staff  
- Ed Miller, General Manager for New River Light and Power  
This session will review the utility ratemaking process and related issues considered by the Utilities Commission, and review a recent rate to understand how the concepts are applied. Ed will discuss the process NRLP went through internally as a small utility for their recent rate adjustment and why it took so long to go to NCUC for a rate case; as well as highlight their AMI and proposed prepay system. |
2:30 – 3:10 pm | **Energy Efficiency Policy: 2019 Policy Opportunities**  
**Speaker:**  
- Ryan Miller, Founder and Executive Director of North Carolina Building Performance Association  
Ryan will provide an overview of energy efficiency policy opportunities that will likely be addressed in the 2019 session. Topics include utility cost effectiveness testing, Commercial Property Assessed Clean Energy (C-PACE), building electrification and more.

3:10 – 3:20 pm | **Break**

3:20 – 4:25 pm | **Hot Topics / Q&A Session**  
The speakers will sit on a panel for a lively hot topic and Q&A session.

4:25 – 4:30 pm | **Closing Remarks**
