

# SUSTAINABLE ENERGY SPEAKER SERIES

Spring 2019 Theme: Women in Clean Energy

**Lisa Poger,**  
*NC Electric Transportation Manager at Duke Energy*

## Electric Vehicle Strategies for Electric Utilities

Monday, February 18 | 4:00-5:00pm  
PSU Room 201A Price Lake

As new electric vehicles (EV) enter the market and strong sales growth continues nationwide, Duke Energy has deployed electric vehicle infrastructure programs to help meet the needs of this growing market. In this presentation, learn about Duke Energy's programs, the economic and environmental benefits of transportation electrification, and where the EV market is going.
